SUNBURY, PENNSYLVANIA 17801

MAIN OFFICE

Phone: (570) 286-5858

Fax: (570) 286-7162

PUBLIC NOTICE

The Sunbury Municipal Authority Board voted to seek approval from the Pennsylvania Department of Environmental Protection to discontinue drinking water fluoridation treatment at its water treatment plant. An application will be submitted requesting that the public water supply permit be amended to remove fluoridation from the operating permit. The transition from a fluoridated to a non-fluoridated system will occur on or about September 30, 2026.

Customers can submit written comments on the proposed fluoride removal to Pennsylvania DEP, 208 W Third St, Suite 101, Williamsport, PA 17701, or to the Sunbury Municipal Water Authority, 462 South 4th Street, Sunbury, PA 17801. Customers can also call the Authority's office with comments at (570) 286-5858 between 7:30 am and 3:30 pm Monday through Friday.

Please share this information with other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice publicly or distributing copies by hand or mail.
